Buy a ticket (R 5.00) then scratch all 9 panels on the 3x3 grid. If 3 symbols match the winning combination shown in the Paytable, you win that prize instantly.

Gems of Africa is a dazzling instant win virtual scratch card game inspired by Africa's rich gemstone heritage. Players scratch a 3×3 grid to reveal hidden gems and win instant cash prizes by matching three identical symbols according to the Paytable. With prizes of up to R100,000, Gems of Africa offers a sparkling and rewarding gaming experience.

Ticket Rules

- Each Gems of Africa ticket costs R5.00.
- Each ticket contains a 3×3 scratch grid with nine hidden symbols.
- Players may reveal symbols manually or use the Scratch Button to reveal all panels.
- Once a ticket has been scratched, the outcome is final.
- Each ticket represents a single game round.

Scratch Grid Mechanics

- The game grid consists of 9 scratch panels arranged in a 3×3 format.
- Each panel conceals a gemstone symbol.
- Symbols are revealed when scratched.
- All revealed symbols remain visible for the duration of the game round.
- Winning combinations are determined according to the Paytable.

Winning Rules

- Players win by revealing three matching symbols according to the Paytable.
- Matching symbols may appear anywhere on the grid unless otherwise specified by game rules.
- The prize awarded corresponds to the matching symbol combination shown in the Paytable.
- Winning prizes are credited to the player's account following validation.
